Author's Notes:
'I'm not in the mood' HAS to have a sequel:)

„Aaaahhhh, finally!"

Jason put in the last one of the two-thousand-piece puzzle, showing a picture of Kirk's 'Mummy'-guitar - James always had the weirdest ideas - and fixated it with his fist.

"That's it. Now I want my payment."

"But, Jase, it's three in the morning," James complained. "And I'm not in the mood ..."

"That's of no interest. I'm in the mood right NOW."

"Aaawww, Jase!"

"JAMES!"

"But I'm tired."

"You can do it while being tired."

"You're cruel!"

"You know the rules."

"But ..."

"Don't give me this look! You'll re-string my basses ... Every single one of them. NOW!"
